FOR 1958
PRESENTED BY THE
SENIOR CLASS OF
BELVIDERE HIGH SCHOOL
BELVIDERE, ILLINOIS

VOLUME 48

**The time was 2:41, the date September 4. Rather** apprehensively we approached room 204, knowing we had a big job ahead of us—putting together the '58 BELVI.

As "cub" staffers we discovered a world in which "bleeding" pictures are not hurt but go to the edge of the page, in which gutters are inside page edges and not rainspouts, and in which heads are not set on shoulders but are headlines.

On the following pages are the results of these discoveries and our work—a compilation of the facts, fun, and fads of the school year.

# SCHOLARSHIP

**"Understanding is the wellspring of life unto him that hath** it." As B.H.S. students we spend four years furthering our understanding by obtaining knowledge of the world around us. Guided by our teachers, we explore the past and the present, seeking answers to our questions and preparing for the future.

Honors, based on many things—scholarship, service, character, and leadership, symbolize our achievements in this world of chalk, charts, and challenge.

**Our teachers are of varied shapes and sizes, sometimes angels—** sometimes tyrants, and they can always be expected to do the unexpected.

We students, too, differ in form and weight, are sometimes cooperative — sometimes obstinate, and we are eternally unpredictable.

But faculty and students share the same idea and purpose: Education is America's defense for the future.

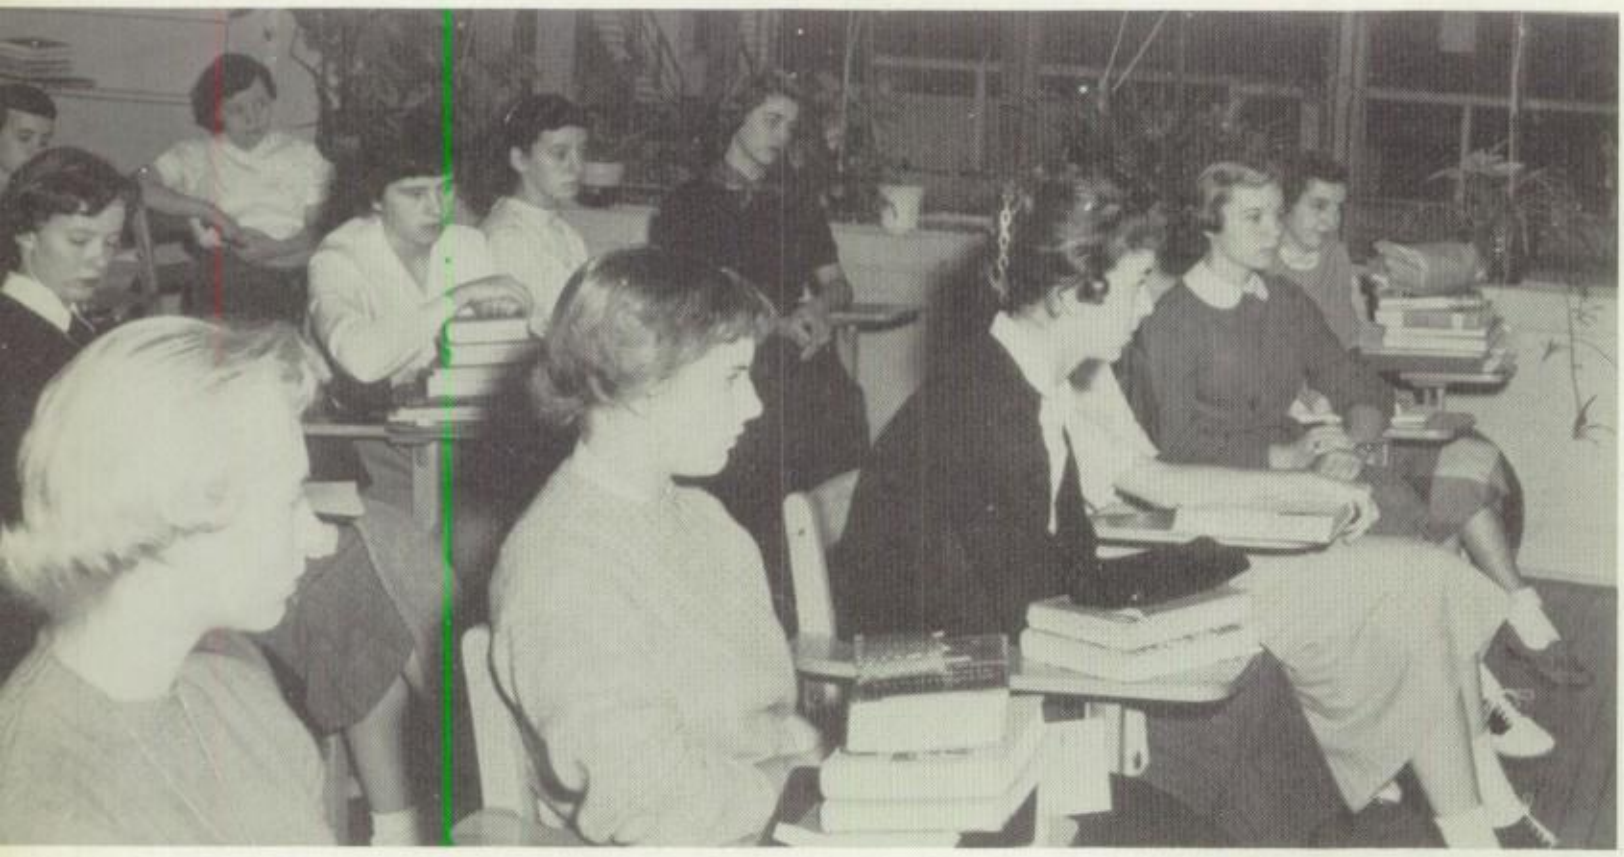
# LEADERSHIP

**To join or not to join: that is the question. With** eighteen organizations at B.H.S. most of us find at least one that interests us. Ranging from a lettermen's club to organizations for future nurses and teachers, all help to mold our qualities of leadership.

Being an organization member means not only attending meetings; it also entails working on club projects and helping with the "dirty work" of clean-up.

Work and fun seem to balance each other, though, and we find being a part of school activities a rewarding experience.



Too sleepy for anything else, we attentively listen.

# STUDENT COUNCIL

**We, as members of Student Council are** representatives of our classmates. Our purpose is not to govern, but rather to promote and sponsor student relations and activities.

With the advice of Miss Joan Brannah and Mrs. Alwilda Sellers, the Council holds a reception for freshmen and new students, sells tickets for the wrestling programs, and presents additional programs to educate and entertain the student body. In our capacity as a service organization, we collect funds for the March of Dimes and the Red Cross. Selling book covers, publishing a student directory, and sponsoring the Installation of Officers Program are other contributions of the Council.

# GIRLS ATHLETIC ASSOCIATION

OFFICERS: Janice Bucklin, junior assistant; Sharon Brooks, sophomore assistant; Mary Alice Julin, president; Judy McLean, vice-president; Ann Howe, secretary-treasurer.

**Virtually all the girls in school belong to the Girls** Athletic Association, as it is the largest organization exclusively for girls. As pledges, we must earn 25 points before initiation time, and to remain in the club, 25 additional points must be earned each year. To receive an award, we must earn 75 points during the year. These points are earned on early morning hikes and in other morning activities.

Our advisors, Miss Vanessa Werth and Miss Adel Lemanski, plan many activities throughout the year highlighted by the G.A.A. winter formal, the Mother-Daughter Banquet, and the spring informal dance. We also sell thousands of pounds of pecans each year. In the athletic field we participate in Play-Day with girls from other schools. In the fall we sponsor the Buddy Hike, a five mile trek which acquaints members and pledges.

The hike—a means to an end—FOOD.

SOCIAL COMMITTEE, FIRST ROW: Lynne Helsdon, Melissa Dunbar, Mary Oakley, Sydney Mickey. SECOND ROW: Loretta Root, Pat Smith, Dana Van Epps, Donna Brown, Sharon Burton, Sue Asbury, Lynn Meyers, Judy Jones. Not pictured: Joyce Heller, Angie Howlett, Rita Ryoti.

# PEP CLUB

**To stimulate school spirit is the task undertaken by the Pep Club each** fall. We try to do this by enrolling the largest membership of any organization in school.

Our officers, advisory board, and Miss Vanessa Werth pool their efforts to sponsor the Homecoming activites. The Homecoming schedule featured a dinner for alumni of 1917, 1927, and 1928, and the coronation dance open to students and alumni. Our club also sold pom poms, programs, and pins at the football games.

Another project is a sports dance held in the spring to honor the participants, managers, and cheerleaders of basketball and spring sports.

ADVISORY BOARD, FIRST ROW: Kathie Browne, Delores Dooley, Sydney Mickey. SECOND ROW: Janice Bucklin, Kathie Kiddell, Janice Fiebranz, Bonnie Hopperstead. THIRD ROW: Sue Asbury, Sharon Burton, Kay Steinke, Judy Summers. FOURTH ROW: Judy Jones, Mary Oakley, Hugh Thompson. FIFTH ROW: Irv Huck, Marion Ferguson, Jeanne Fair, Judy McLean.

OFFICERS: Craig Auman, secretary; Mary Alice Julin, president; Kay Johnson, vice-president; Shirley Newell, treasurer.

Favors for the hospitals.

# FUTURE NURSES

**Arousing interest in nursing is the job undertaken by the** Future Nurses Club. We meet twice a month and our meetings are alternately for business and program.

Our advisors, Mrs. Sidney Nash and Mr. Virgil McAllister, plan many activities for us throughout the year. We initiate our officers formally in the fall and in the spring we take a field trip, usually to a hospital training school. At Christmas time we go caroling at the hospitals, and for every holiday we make and deliver favors for the patients in both hospitals.

# FUTURE TEACHERS

**Those of us who are interested in finding out about teach-**ing belong to F.T.A. Our purpose is to encourage those who have the qualifications for being a teacher. Our club, advised by Miss Minerva Blackburn, is composed of about 50 members. This year, our monthly meetings have had the general topic of "Education in Other Lands," and the speakers have talked of education in Norway, England, Germany, Russia, and Greece.

Our services include a donation to the Save the Children Federation, and acting as guides for the parents at the P.T.A. Go-to-School Night. Each year our members visit either a grade school, high school, or college in the surrounding area.

Mr. Harold Kingren shows us slides of Russia.

By playing an initial game, we become acquainted with one another.

OFFICERS, FIRST ROW: Gayle Grothman, vice-president; Karen Wahl, secretary; Kay Campbell, president; Doris Coleman, treasurer. SECOND ROW: Joyce Heller, degrees chairman; Joyce Voorhies, projects chairman; Henrietta Wheatley, public relations chairman; Donna Pierce, parliamentarian.

# FUTURE HOMEMAKERS

We Future Homemakers of America and our advisor, Miss Carole Harrison, have spent an active year. A sister ceremony at our first meeting enabled the new members to become acquainted with the old members.

Our third annual hobo day in the fall proved enjoyable and profitable to the club. At Christmas time we caroled at the rest homes and delivered gifts to the people we visited. Our officers also installed the officers of the Junior High F.H.A.

Our meeting programs for the year included demonstrations on fancy cakes and cookies, on electrical equipment and interior decorating, and a talk on careers.

"Experience is the best teacher."

OFFICERS, FIRST ROW: Wes Kasper, treasurer; Russ Edwards, parliamentarian; Gene Ward, vice-president; Jerry Kimmey, president; Brock Dorn, reporter. SECOND ROW: Charles Davis, historian; Shaun Yunk, secretary; Charles Byers, 2nd vice-president.

# INDUSTRIAL ARTS CLUB

**In the Industrial and Vocational Arts Club we have** over 50 members. Anyone who is or has been enrolled in the Industrial Arts class is eligible for membership. A person retains his membership by earning a number of working credits. The credits come through the sale of articles made in club projects.

Belvidere was represented in the Illinois Industrial Education Club by Russ Edwards, who served as State Parliamentarian. We and the West Rockford club were co-sponsors of the state convention held in Rockford, Illinois. This is the first time our area has ever been hosts to this organization. Mr. Harold Ewald and Mr. John Wagley are the club advsors.

One of our projects is making these planters to sell for profit.

# FUTURE FARMERS

From Green Hand to American Farmer we enjoy our four-year program as Future Farmers. Chapter Farmer and State Farmer are the second and third degrees of membership in our club.

Following our motto "Doing to learn," we attend the state convention the second week in June. Here the delegates take part in a leadership training school. We serve on various teams at state and sectional contests: land use selection, dairy judging, fatstock judging, and parliamentary procedure. We display livestock and grain at the Section 6 F.F.A. Fair and Show.

The Parent and Son Banquet is sponsored by us in March. Other F.F.A. activities are the chapter trip, the tractor rodeo, the car economy run, and the plowing school. The chapter maintains an F.F.A. Scholastic Honor Roll for members with a B average. Mr. D. J. Witt and Mr. L. E. Mills are our club advisors.

# LIBRARY ASSISTANTS

**As Library Assistants, it is our job to help Miss Hinrich** in the various library chores. We check books in and out, read shelves, catalog and process new books, and assist students in finding books. Aiding in serving at the annual Book Week tea is one of our more pleasant duties.

OFFICERS: George Leaich, president; Dorine George, secretary; Doug Edmonds, vice-president.

# STUDENT PROJECTIONISTS

**We who have learned how to operate projectors have** organized this year into a club. We operate, repair, and distribute the machines in the classes at Belvidere High School.

Our advisors are Mr. Everett Ryan and Mr. William Carson.

# B CLUB

OFFICERS: Steve Combs, judge; Leroy Booth, president; Joe Dorris, secretary; Bob Smith, treasurer; Dave Fidder, vice president.

**The B Club is composed of athletes who have earned** a letter in interscholastic sport. As an athletic club, our functions are to assist at athletic events and promote good sportsmanship among athletes.

We retain our membership in the club by remaining eligible and earning credits. To procure these credits, we run the concession stands at home football and basketball games, and conduct the annual frosh-soph tournament. We are assisted in our projects by Mr. Joe Lewis.

During the year we also sponsor one program for the general public.

In the spring we buy jackets for the senior members and present the school with gifts which have in the past included a whirlpool bath, the scoreboard for the Community Building, and football practice equipment.

We earn credits by selling refreshments at the basketball games.

# VARSITY CHEERLEADERS

"Fight, Fight, Fight, a little harder, Hey!!"

**At a pep assembly during the first week of school we,** the three upper classes, elected the varsity cheerleaders for the coming year. The girls chose Donna Jackson as their captain.

The cheerleaders, who practice every Tuesday and Thursday, are advised by Miss Adel Lemanski. New ideas for pep assemblies were given us at a cheerleading clinic at North Park, Illinois, which we attended in October.

# SOPHOMORE CHEERLEADERS

**We, the three upper classes, elected the sophomore** cheerleaders early in September after tryouts in the Community Building. These girls, who chose Dale DeWane and Vicki Johnson as co-captains, work long and hard to acquaint themselves with varsity cheerleading techniques and also help plan the pep assemblies.

First pep assembly—and then the work begins.

At tryouts, we all try our hardest!

# FRESHMAN CHEERLEADERS

Setting a precedent, we the freshmen, at the beginning of the year elected our own cheerleaders for the football and basketball games. During the football season this group chose Sharon Holmgren as their captain. The cheerleaders practice every Tuesday and Thursday after school and are advised by Miss Adel Lemanski.

**First hour every day those of us interested** in instrumental music assemble under the direction of Mr. Charles Harned for a practice session.

This practice enables us to perform at football and basketball games and at the holiday parades on State Street.

We give a concert each spring; this year our guest soloist is Harold Brasch, a baritone player formerly with the U. S. Navy Band.

Our members participate in the District Band Contests, and we perform in various smaller groups such as the Pep Band.

To conclude our year we have a picnic after marching in the Memorial Day parade.

**More than two hundred and forty of us parti-**cipate in the vocal activities at Belvidere High. We can be heard vocalizing six periods daily. Our Freshmen Girls' Chorus meets 1st hour, and the Freshmen Mixed Chorus 2nd hour. Fourth hour is allocated for special groups, such as trios and sextettes, and 5th hour another Girls' Chorus meets. Sixth and 8th hours are designated for the Mixed Chorus and Upper-Class Girls' Chorus.

During the year we give two concerts, one at Christmas and one in the spring. We also entertain at various civic affairs in Belvidere. The graduation ceremonies have entertainment provided by one of our groups.

Our special project this year was a candy sale, the proceeds of which went for an organ to be used by the vocal department in future concerts.

Through the efforts of Mrs. Margaret Reeves, our director, we have a successful and happy time participating in the vocal activities of our school.

# SPORTSMANSHIP

**Win, lose, or draw—no matter what the outcome,** sports events are an ever-popular feature of life at Belvidere High School. As spectators or athletes, we are elated by the spirit of competition accompanying any athletic event. If spectators, we cheer madly, hoping the team will respond to our encouragement; if athletes, we constantly strive to win.

But whether they cause happiness or heartbreak, as far as we're concerned, sports are here to stay.

**Bigger than usual, the Varsity Bucs fought their way** through an exciting season. The team showed its colors in the opening game of the season with its crushing victory over Harlem. Recovering quickly from their defeat at the hands of the DeKalb Barbs, they routed Marquette 25-7. After losing a close game to Marmion the Buc eleven squelched an inspired Lake Park team 13-12.

The Belvidere squad followed up their losses to Edgewood and North Chicago with an 18-0 victory over Rochelle on the home grounds. In the last game of the season, the team lost a heartbreaker to Elmwood Park 12-19. A well-balanced team, the Bucs' smooth ground and aerial attack was an ever-present threat for opposing squads.

# NORTH-EASTERN CHAMPS

**Belvidere's sophomores paved their way to** the North-Eastern Illinois Conference Championship with a record of four wins and no losses.

In the opening engagement with Harlem, the Little Bucs rolled up their first win of the season, 34-6. After losing to DeKalb, 6-0, the squad powered their way to a 19-13 victory over the cadets from Marmion. Three weeks later the sophs crushed a hard-hitting team from North Chicago, 27-19. In the next game, the already clicking victory machine romped over Lake Park, 63-7, to set a new scoring record. In the last home game the Little Bucs routed Rochelle, 32-12. In the final game of the season against the undefeated Elmwood Park team, the sophs came through again with a 14-7 victory that cinched the crown.

**Belvidere's freshmen team smashed its way to** an undefeated season by tromping over Hamilton Junior High School of Harlem, 20-0, in the last game of the season. This win boosted their record to five wins and no losses for the year.

In the opening game, the Buc yearlings toppled DeKalb, 13-7. In the second game, a return engagement with the Barbs, the team came from behind to chalk up a 20-6 win. Returning to the gridiron after the influenza epidemic which cancelled two of their games, the freshmen showed no loss of strength in powering their way over Marshall Junior High; 20-6. In the next to the last game of the season, the first-year men again ran the score up into the twenties by beating Sycamore, 26-6.

# CROSS-COUNTRY

Belvidere harriers go catching E-Rabs.

**A new sport at Belvidere High School this year,** cross-country, established itself well in the sports curriculum. Spectators passing by around four o'clock during the fall season found the team running along the paths and byways of Belvidere Park, dashing down and panting up the leaf-strewn hills.

The Belvidere runners learned a lot from their opening meets with teams from some of the largest schools nearby. On one occasion they came within one point of tying West Rockford. Each new meet saw them profiting from the experience of earlier runs.

Paced by their senior captain, Leroy Booth, the Buc harriers finished the season looking like a different team, toughened and sinewy, wiser in strategy. The necessary first year experience set the foundation for future teams.

# WRESTLING

**Another first-year sport at Belvidere High** School, wrestling, scored a big hit with both participants, and spectators this year. Not knowing the intricacies of the sport such as legal holds and scoring, a program of educating both wrestlers and watchers was necessary.

The Buc grapplers worked out every Monday and Wednesday as well as during gym classes. Challenge matches were fought at the Monday practice sessions.

The first meet of the season was an intra-squad meet. This was followed by a meet against DeKalb in which the Bucs, though losing, showed great promise. They defeated St. Thomas in the next match. The matmen lost their last two meets, one a return engagement with DeKalb and the other against Hononegah. According to Coach Joe Lewis, prospects look good for future years.

**The grapplers have their ups and downs.**

# BIG BUCS LOW IN WINS, HIGH IN SPIRIT

**Belvidere's Varsity Bucs played a full, hard season of** basketball. Although the statistics weren't too good, the team always gave their opponents plenty of trouble. Despite the record of five wins to twenty losses, the Big Bucs came within ten points of their victors in nine of their losing encounters. What they lacked in size, they couldn't always make up in speed and agility.

Twice the squad downed South Beloit in tournament play. The first time was in the Harlem Holiday Tournament when the Bucs topped the So Bos, 45-43, and thus earned themselves second place in the tournament. The second time was at the Regional Tournament when the Bucs won a hard fought game, 61-52.

# SOPHOMORES IMPROVE DURING SEASON

**The sophomore basketball team was wanting in the** win department this year. Although they chalked up only three triumphs in twenty-two games, the Little Bucs never gave up and occasionally showed real inspiration.

The team topped Lake Park early in the season by two points, 51-49. Towards the close of the season they rolled over the same squad, 60-31. The highlight of the season came when the Little Bucs edged out a previously unbeaten St. Thomas team in a deadly duel on the home court, 48-47. In general the team seemed to improve throughout the season, an encouraging sign for future years.

# FRESHMEN TEAM

# HOPE FOR FUTURE

**The freshman basketball squad gave promise of a** brighter future in Belvidere High School basketball as they chalked up four wins to six losses, the best record of any of the basketball teams. A well-balanced aggregation, they showed a lot of hustle and pep.

After losing the opening games to Freeport and DeKalb, the yearlings stiffened up and topped Marshall, 49-47. In the next game, the team crushed St. Charles, 50-38. Following a slump of three games in which the squad fell the victim of Freeport, Harlem, and Sycamore, respectively, they rallied to tromp Genoa, 53-44. The following game brought an encouraging note as the team downed DeKalb, 40-36, after losing to them by one point early in the season. The freshmen dropped their last game to Sycamore, 43-24.

# YOUNG TRACK TEAM SHOWS PROMISE

Phil Bender clears the bar .

**The track team had a dismal season this year, win-**ning only one of its triangular meets and placing second in three of them. Plagued by a scarcity of returning upperclassmen, the Buc thinclads were almost entirely freshmen and sophomores. For this very same reason, however, prospects are excellent for future years.

The most exciting meet of the season was the triangular with Harlem and St. Thomas. After having lost to the Tommies earlier in the year, the Bucs beat them by less than a point.

# BASEBALL TEAM WINS CONFERENCE

**The baseball team took top honors in Belvidere's** athletics this year. The always-powerful Buccaneers, slashing away in typical good form, took the Rock Valley Championship for the second year in a row. Their record of twelve wins to four losses brought the school record to 188 wins to 50 losses since 1947.

The Big Bucs were sparked to their victorious record by the teamwork of several outstanding individual players. Dan Whitehead won the conference batting championship, with Dave Ferguson and Charles Shuckhart taking third and fourth respectively. Butch Barr, Wayne Casperson, Dave Diamond and Dave Ferguson made the all-conference team. The most outstanding performance was that by Dave Diamond, who set a new school record of four no-hit ball games in his high school career.

The season came to a brilliant climax at the last game when the Varsity Bucs defeated Freeport in extra innings, 5-4.

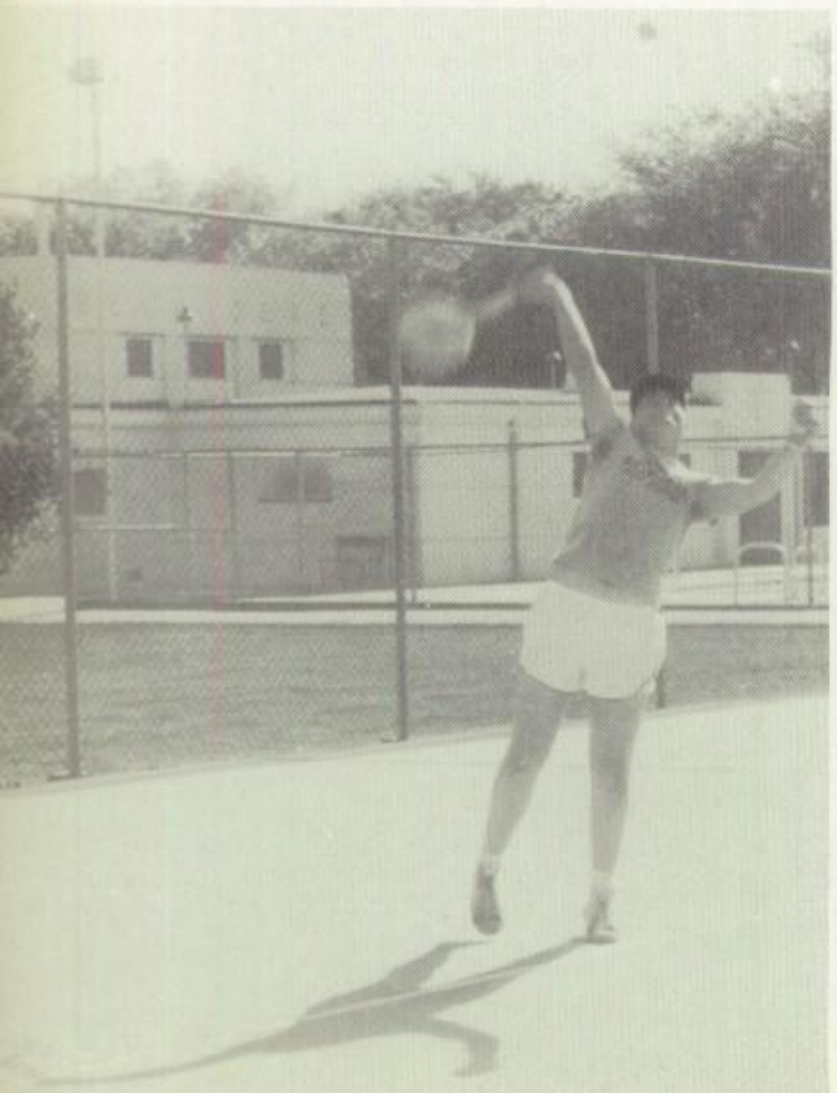
# TENNIS TEAM BATTLES THROUGH ROUGH SEASON

Ron Stegemann serves.



**The tennis team played a very rough schedule this** year. The only school on the schedule of comparable size was Rochelle. After losing their first encounter with the Hubs, 2-6, the Bucs came back to beat them later in the season, 5-3.

The Belvidere squad, composed almost entirely of freshmen and sophomores, was spearheaded all year by its first man, sophomore Al Olson, who earned Belvidere's only point in the district. The team will be more experienced and harder to beat next year.

# GOLF TEAM EAGER AND IMPROVING

**The golf team, largely a young team this year,** improved throughout the season. The Belvidere golfers won two of their encounters. The first victory came when the team took St. Mary's, 6-2. The squad then downed Honenegah, 6-4. The team will miss the services of its three seniors, Brock Dorn, Bill Beu, and Bob Leaich, next year. The Belvidere golfers will rely heavily on Greg Simons for next year's power.

# INTRAMURAL SPORTS

**Intramural competition makes up a significant part** of Belvidere's athletic program. The boys' gym classes are divided into teams, which compete against each other until the winning team from each class emerges. These teams then compete against the best teams from the other classes until a champion team is selected. The members of this winning team receive individual trophies.

# COACHES AND MANAGERS

**The coaches and managers played a vital part in** Belvidere's athletic program this year. Without their tireless efforts, there could have been no athletics at our school. The coaches worked constantly not only to improve the teams as a whole, but to increase the individual athletic prowess of each of the boys. The managers' duties were legion, yet they performed their chores willingly and efficiently.

Managers: FIRST ROW: K. Larson, B. Steinborn, L. Byrd, R. Hamilton, N. Schuler. SECOND ROW: R. Bruyn, G. Ball, R. Sturm, G. Johannes, L. Heschelman. THIRD ROW: G. Rogers, D. Flemming.

# FELLOWSHIP

**Some of our fondest memories of the past year will** be of those events, large or small, known as "school life," a category including everything from seeing our friends in the library before school to hours of preparation for the Prom.

We've set aside the next pages as an informal record of our out-of-school time. Whether this time was spent at traditional events, such as Homecoming, or just informal get-togethers, being a part of these events generated feelings of fellowship and lifted the doldrums of studying.

SPORT
CAMERAS

Venimus: vidimus: vicimus. We came: we saw: we conquered.

**Everyone felt a trifle breathless after participa**ting in the hectic series of events which made up the 1957 Homecoming weekend.

On Thursday evening, October 24, the snake dance began the festivities. Shouting students, led by the band, marched down State Street to the football field. Here, with the scene lit by a flaming bonfire, they heard pep speeches and cheered themselves hoarse.

During the Friday afternoon pep assembly the cheerleaders, masquerading as fans from six to sixty on their way to the Homecoming game, led the rousing cheers.

Hundreds flocked to the football field Friday evening to cheer the Belvidere teams and to vote for their favorite candidates. During the half of the varsity game the queen candidates, dressed in beautiful formals, were driven around the football field in convertibles. The outcomes of the games caused mixed emotions as on the gridiron the varsity was defeated by North Chicago 20-7, and the sophomores won 26-19.

Pep skits produce many surprises.

We have non-partisan voters, too.

# HOMECOMING FESTIVITIES

Jewelry by Tiffany

**Don Docker provided the music for the Home-**coming dance. The theme, "Pigskin Prance", was carried out with purple and gold streamers and an enormous 3-D football suspended from the ceiling near the north wall.

Tension mounted as the time for the crowning drew near. Finally—at 10:39—the king and queen were announced. Jubilant juniors cheered madly when their candidates, Sandy Glass and Curt Tobin, were crowned. Sad seniors, whose candidates were Kay Campbell and Ken Larson, consoled themselves with second place, but everyone still agreed this Homecoming was "the most"!

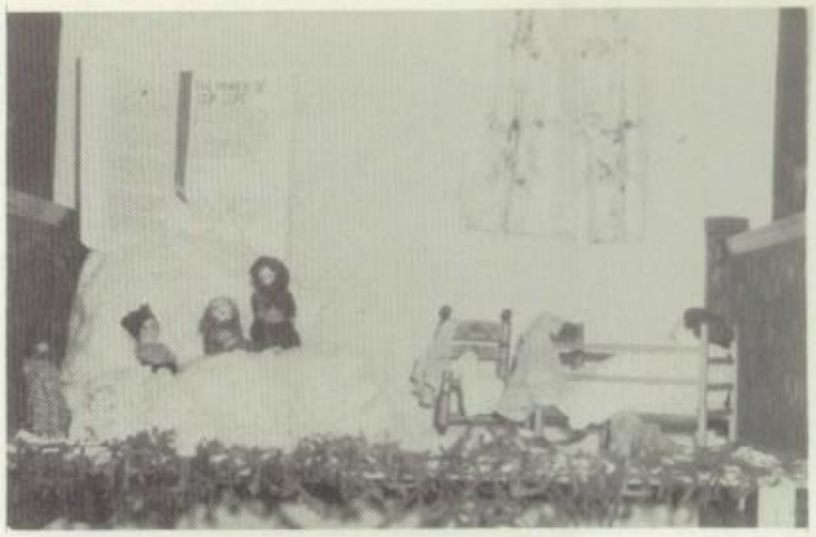
# THE YULETIDE SEASON



"Christmas Dream"

**The air was fragrant with the scent of pine boughs,** Christmas carols echoed through the halls—the Christmas season had come, and students anxiously awaited the results of the Christmas decorating contest.

Juniors won the first prize of $15 with their entry "Angels from the Realms of Glory"; seniors placed second, winning $10 for their entry entitled "Noel". The sophomores portrayed a "Christmas Dream", and the freshmen depicted "The Night Before Christmas".

The senior class of 1958 presented "Seventeenth Summer," dramatized by Anne Couter Martens from the book by Maureen Daly. The story concerns the emergence of Angie Morrow from a young girl to a young lady and the persons and events that brought about that change. Persons comprising the rest of the family are Margaret, an attractive, poised girl of twenty-one; Lorraine, a nineteen-year-old who is unsure of herself; Kitty, an impish girl of ten; and the devoted parents of the girls, Mr. and Mrs. Morrow.

Jack, Angie's most prominent eighteen-year-old companion, Art, and Martin comprise the love interest for Morrow family girls. Angie's other friends include Margie Jane, Tony, and Fitz.

**Time—8 p.m., place—Community Build-**ing, date—April 19. General conditions—state of anxiety and apprehension.

"Curtain going up."

"When am I on?"

"I'm not ready."

In spite of all the commotion, the show did go on—and splendidly so. Mr. McAllister, the advisor, Bob Leaich, the producer, Donna Jackson and Dan Whitehead, the co-directors, and Judi Leonard, the program co-ordinator spent long hours organizing the evening's entertainment. Giles Cole, the emcee, and the many others without whose work the show would not have been possible were also to be congratulated.

The effort was well-received. The sum of $550 was proudly added to the Whing Ding Fund for the purpose of providing entertainment for those attending the Junior-Senior Banquet and Prom.

**"May Magic" was the theme of the annual Junior-Senior Prom** held May 17. The evening began with a dinner in the Community Building. Well-fed prom-goers danced to the music of Bill Engberg's orchestra at Belmar Country Club. Walking on the golf course, also known as Sputnik watching, was a popular activity during dance breaks.

Slightly damp dancers changed into casual clothing before viewing a special showing of **Mogambo.** A "Party of Six" from Northwestern University's Waa-Mu Show highlighted the floor show at the V.F.W. Donald Gray and Bonnie Hopperstead won the clock radios which are given annually. Bob Smith and Gene Ward emceed the drawings and arranged a program of high school talent. A breakfast and church services completed the evening's activity.

**The last time all the seniors join informally** is known as Class Night. At this time, the salutatorian and the valedictorian give their addresses; the history, gifts and will of the class are presented; and academic, vocational, and commercial awards are distributed by Mr. McAllister. # FRIENDSHIP

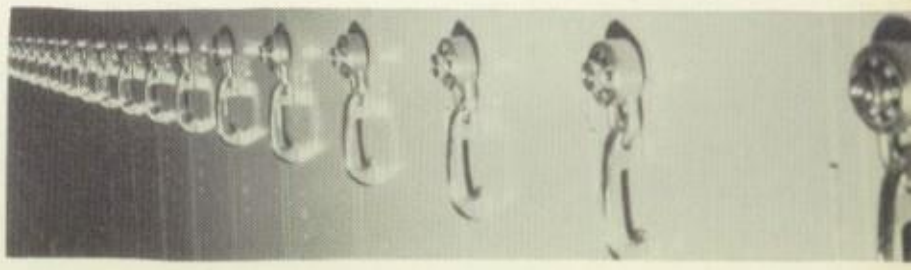
**Friendship is not a one way street; it is listening as well as** talking, and it is giving as well as taking. In the past year we turned to our friends when we were feeling low and also wanted them to share our happy experiences; but besides telling our friends our troubles, we listened to, consoled, and encouraged them.

In the following pages are pictured the friends with whom we spent most of our time this past year; whether freshmen, sophomores, juniors, or seniors, many of them will remain in our memories of B. H. S.



# FRESHMEN

**Soon after the freshmen entered high school, the Russians re-**vealed "Sputnik", the first man-made earth satellite. Coinciding with the "Sputnik" announcement was the announcement of the freshmen officers, who were Dave Anderson, president; Judy Malmassari, vice-president; Caroline Thompson, secretary; and Kathy Jury, treasurer. Aiding these officers was the social committee, consisting of Glenn Adamson and Elaine Keating, co-chairmen; Jim Bellendorf, Kathryn Leonard, and Lyla Ollman. The campaign committee, consisting of Diana Whitehead and Dan McAllister, co-chairmen; Keith Heitz, Karon Park, and Vicki Neumeister, organized the campaign for Pat Griggs and Keith Heitz, the freshmen Homecoming candidates. "The Night Before Christmas" was the theme chosen by the Christmas committee made up of Diethard Kolewe and Norma Silbaugh, co-chairmen; Ruth Ashley, Kathy Jury, Judy Malmassari, Pamela Sandburg, and Gordon Swanlund. Mrs. Ford and Miss LaDella were the class advisors.

**Adlai and Ike, while campaigning during the** fall of 1956, had nothing on the class of '60. Just as Ike was victorious, so were Jerry Dulgar, who was elected class president; Tom McKeown, vice-president; Donna Greenhow, secretary; and Dick Thornton, treasurer. In another election Karen Reed and Jerry Dulgar were chosen as Homecoming queen and king candidates. The class's caroling scene won second place in the Christmas decoration contest, and Sydney Mickey and Buzz Davis were runners-up as Student Council Carnival queen and king.

The class of 1960 chose Bob Bruyn, Tom McKeown, Donna Adamson, and Dick Thornton as their sophomore president, vice-president, secretary, and treasurer. Tone Backa and Joe Dorris were selected as the Homecoming candidates. The class's Christmas decorations were based on the theme "Christmas Dream." Mrs. Hove and Miss Entwhistle served as sophomore advisors.

**While the juniors were democratically choos-** ing their first class officers in 1955, Juan Peron was ousted as Argentina's president, a position he had despotically held for over 9 years. The first officers of the class of 1959 were Dick Jacobson, president; Bonnie Bowley, vice-president; Karen Wascher, secretary; and Judy Summers, treasurer. These officers guided the campaign for Sharon Burton and Dave Curtis, who were elected as Homecoming queen and king candidates. The class's "First Christmas" theme won second place in the annual Christmas decoration contest. Janice Bucklin and Bob Smith, were runners up in the Council Carnival queen and king contest.

As sophomores Dick Jacobson, Nancy Schuler, Bonnie Bowley and Kathy Kiddell were elected president, vice-president, secretary and treasurer. Sue Asbury and Pat Johnson won second place as Homecoming queen and king. The class chose a winter scene as its entry in the Christmas decoration contest. The Council Carnival candidates were Lynn Meyers and Bob Jones.

For junior officers the class chose Mary Oakley as president, Don Swanlund as vice-president, Bonnie Hopperstead as secretary, and Kathy Kiddell as treasurer. The class of '59 backed Sandy Glass and Curt Tobin, who were crowned Homecoming queen and king. "Angels from the Realms of Glory" was their Christmas decoration theme. Miss Bennett and Miss Hinrichs were the junior class advisors.

**The class of '58 entered school in 1954,** when the Salk vaccine was first being tested on school children. As they finished their freshman year in June, 1955, the vaccine had been proclaimed effective in preventing paralytic poliomyelitis. The year of testing for the vaccine also tested the ability of "green" freshmen to choose officers.

Lee Zierke was elected president; Roger Koper, vice-president; Rochelle Wascher, secretary; and Dan Whitehead, treasurer. These officers guided the campaign for Andrea Howlett and Alan Steurer, who were chosen for Homecoming candidates. "Joy to the World" was the theme for Christmas decorations, and Gay Grenlund and Dave Ferguson were selected as Council Carnival candidates.

The sophomore officers were Doug Edmonds, president; Dana Van Epps, vice-president; Kay Johnson, secretary; and Mary Alice Julin, treasurer. Kay Johnson and Butch Barr were chosen as Homecoming candidates. "The Three Wise Men" was used as the theme for Christmas decorations. In the spring, the class backed Frances Blake and Steve Combs as its Council Carnival candidates.

Junior officers were Joyce Catron, president; Kathie Dobbins, vice-president; Jiles Cole, secretary; and Doug Edmonds, treasurer. The class of '58 boosted Mary Alice Julin and Daryl Palmquist as Homecoming candidates and Judy McLean and Danny Lunsford as Council Carnival candidates. "Nativity Dream" was the Christmas decoration theme, and "Pink Prelude" was chosen as the Prom theme.

For officers their final year in B.H.S. the class of 1958 chose Keith Boyle, Bill Beu, Sonjia Luhman, and Brock Dorn, who held office as president, vice-president, secretary, and treasurer. The class's efforts were partially rewarded when Kay Campbell and Ken Larson were runners-up as Homecoming queen and king. For their Christmas theme the class chose "Noel," decorating the annex with a picture of Mary, Joseph, and the baby Jesus. Miss Harris and Mr. McAllister were the senior class advisors.

**The time was 3:25, the date June 2. The** last picture had come back from Mr. McClary, who had helped us with our photography, and Miss Blackburn's long hours as our advisor were over. For the last time we put the covers on the typewriters, straightened the chairs, and prepared to leave the room in which we had spent so much of our after-school time.

Victims of mixed emotions—glad to have time to call our own again, but sorry that the BELVI'S final page had been sent to press—we knew our work on the '58 BELVI was over and another year in the annals of B.H.S. history had been recorded.
